### CONSENT FOR TELEHEALTH CONSULTATION

1. I understand that Barbara Peterson, Ph.D. has offered to provide consultation via phone or telehealth consultation.
2. I authorize Barbara Peterson, Ph.D. to allow me (or my child) to meet with her via smartphone or a secure online videoconference service platform. I am aware that there may be additional charges from my internet provider.
3. Dr. Peterson has explained to me how the video conferencing technology that will be used will not be the same as a direct client/psychotherapist session because I will not be in the same room as my provider.
4. I understand that a telehealth consultation has potential benefits including easier access to care, continuity of care, and the convenience of meeting from a location of my choosing.
5. I understand there are potential risks to this technology, including interruptions, unauthorized access, and technical difficulties, which cannot be predicted. I understand that my health care provider or I can discontinue the telehealth consult/session if it is felt that the videoconferencing connections are not adequate for the situation.
6. I understand that the telehealth session will not be audio or video recorded at any time, and that we will both disable computer and device-generated recording to the best of our abilities.
7. I understand that it is important to connect from a quiet room, with no interruptions, where my and/or my child's privacy are guaranteed.
8. I understand that the limitations to confidentiality outlined in our original Consent to Service or Office Policies, apply to the videoconferencing format.
